INTRODUCES

\$UPPORT FOR \$PORTS

We all know the importance of physical activity in our childrens' lives. The experience of being a team member, developing skills and learning how to win and lose are all vital life skills used on and off the field of play. However, with a growing regional area, space for recreation and the continued sponsorship of many sports activities is threatened. At Blue & Gray Title, we want to give something back to tomorrow's leaders So we have developed a great program to help accomplish that goal!

We call it our "**Support for Sports**" Program, developed to help local recreation programs meet escalating costs and purchase needed supplies and equipment.

How It Works

Blue & Gray Title will make a donation to a chosen Sports Program in the amount of \$50.00 for every transaction (whether it is a new home purchase, sale of residence or a refinance of an existing mortgage) we process during 2006. We simply need to receive a request from the participant designating a particular Sports Program as the recipient. A sample form is printed on the reverse side of this flyer and more request forms can be obtained from Blue & Gray Title. Participants need to inform their Realtor or Lender that they wish to use Blue & Gray Title for their Title and Escrow work to ensure the donation is made to the designated Recreation Program upon completion of the transaction.

Any Recreation Program wishing to participate in our "**Support for Sports**" Program will be given a supply of Request Forms. Participants must complete this form and present it to his/her Realtor or Lender when they begin the Title and Escrow process on their property.

"**Support for Sports**" is not exclusive to any Lender or Realtor! When a Realtor or Lender receives a request from a participant of our Program, they should forward the completed request Form to Blue & Gray Title, along with any necessary documents to begin processing the transaction.

Sending the Donations

Blue & Gray Title will forward a check each month to participating Recreation Programs. This check will include \$50.00 for every transaction we process that month that has been designated a "**Support for Sports**" deal. It's that simple!!

We are excited about this program and hope you will join us in supporting our community's recreation needs. Think of the difference this could make to many recreational programs in the area — both Public and Private. Our donations can help buy equipment and supplies, and allow kids to continue to participate in these programs. Working together we can ensure that our children are provided recreational opportunities to learn and grow.
